KEY COLLECTION

We live on site so will usually be around when you arrive, if we have to go out we will leave your cottage unlocked with the keys inside. Please telephone 01723 850180, or 07970 229547 if you are planning to arrive late in the evening or the following day.

DIRECTIONS

Sawdon is situated off the A170 Thirsk to Scarborough Road. Please be aware that Satellite Navigation Systems confuse farm tracks with roads so can be unreliable in this area.

At Brompton by Sawdon take the turn opposite the farm machinery shop signposted Sawdon. Follow this road all the way through the village past the Anvil Pub on the left and later the village hall on the right. Continue on this road for around a mile passing the T Junction on your right at Granary Farm. After approx half a mile you will pass Sawdon Heights Farm on the left. Basin Howe Farm entrance is about 400 yards further on, on the left with our big blue sign at the entrance. Follow the lane up to the farm.

Opal Cottage is the first cottage on the corner, next is Jade Cottage accessed from the side door on the left of the farm house.

For Amber Cottage or Topaz Cottage when you reach the sharp corner by the pond keep straight on across the grass roadway to the car park at the rear. Amber Cottage is first with huge double doors.

Topaz Cottage has two doors. One into the kitchen, one from the right hand side of the parterre.

Please note: if you are thinking of eating out on your arrival/changeover day (Saturday) it is advisable to reserve a table at one of the local restaurants as they do become fully booked at weekends. Please contact us and we will be happy to suggest some local options.

Because we are very rural it is wise to shop for groceries before you arrive.

We hope you enjoy your holiday
